

## **Captains Code of Conduct**

- I will treat everyone fairly by treating them with respect and dignity.
- I will direct any necessary feedback at the performance, not the person.
- I will teach all players the skills of the game, the values of teamwork, and the meaning of good sportsmanship.
- I will lead by example and always demonstrate good sportsmanship during games by treating officials and opponents with respect.
- I will provide encouragement and positive direction to players during games.
- I will uphold the rules, regulations and policies of CASA.
- I will refrain from public criticism of my fellow Team Captains and players.
- I will ensure that I include all players equally and provide equitable playing time.
- I will refrain from the use of profane, insulting, harassing or otherwise offensive language or behaviour while being a Team Captain.
- I will report any misconduct by a Team Captain, player or official to the CASA Board so it can be dealt with appropriately.
- I will ensure that the team has the resources and players necessary to field a team and will appoint a leader in the absence of myself and the co-captain.

## **Players Conduct**

- All players participating in CASA are expected to play/act in a respectful manner for everyone at the field and with a “fun first” attitude.
- Public displays of anger such as throwing equipment have no place at the CASA league. Players doing this will be removed from the game.
- Directing foul language at an opponent is cause for automatic removal from the game. Captains must honour this rule and are obligated to sit or remove any of their players/spectators who are not displaying proper etiquette.
- Drinking alcohol at the field is a fineable offence and is not permitted.
- Players must not leave any types of cans or garbage on the field after the game – the field must be left in cleaner condition than it was when players arrived.
- Community residents are particularly aware of players urinating in public. Any complaints to the City will result in the CASA losing the rights to use that field. Please refer to the provided maps for the nearest public bathroom facilities.
- Being part of a team is a commitment, and I will let my captain or teammates know when I am not available to attend a game. I understand that more than three absences may result in a forfeiture of my spot on the team at the discretion of my captain, and may result in a partial refund of my registration fees minus the cost of the jersey.
