

CASA 2025 Draft Guidelines

- Each team Co-Captains will be provided the final CASA registration list prior to the Draft
- Each team will initially consist of four (4) players:
 - Two Co-Captains
 - Sponsoring Player
 - Sponsoring Player (if the sponsor-selected player does not have a buddy, the Board will randomly pre-select a player before the Draft)
- CASA board members will be drafted as part of the regular league draft unless they were selected as sponsorship players or are captains.
- DEI spots will be part of the regular league draft and not assigned to specific teams beforehand.

CASA 2025 Draft Process

- **Format:** The draft will be a "Snake Draft." The team with the #1 pick selects first, followed by #2, and so on, until #16. Then, the draft reverses, with #16 picking again, followed by #15, and so on, back to #1. This pattern continues until all players are drafted.

Team 10	# 10	# 11	# 30	#31	# 50	# 51	# 70	# 71	# 90	# 91

- **Placement of Initial Team Members:** The initial four team members (Co-Captains and Sponsor Picks) will be placed into the team's draft order based on their individual *average* ranking. Players with an average ranking of 17 or higher will be considered first-round picks. Players with an average ranking of 16 or lower will be placed as #7 and 8 spots.
- **Player Pairing:** To improve efficiency, promote player development, and balance skill distribution, all single players will be paired by the CASA board before the draft. These pairs will be drafted together. Players who registered as buddies will also be drafted together, as in previous drafts.
- **Order:** The draft order will be determined by the *combined* rankings of the Co-Captains for each team. The lowest combined ranking team gets the first pick (#1), and the highest combined ranking team gets the last pick (#16).

CASA 2025 Post-Draft
